EX-GOVERNOR CAMPBELL FAVORS INVESTIGATION

Wants Legislature to Probe Last General Election and Statewide Prohibition Election.

[By Associated Press.]
Austin, Texas, July 31.—With the barest of formalities the special session of the legislature began promptly at 10 o'clock this morning. The roll call showed twenty-nine senators present. Senator Terrell, of Wise county, was unanimously elected president pro tempore and a recess was immediately taken until 2 o'clock this afternoon.

The house swore in three new members, J. O. Beehmer, of Maverick; A. C. Murray, of Burleson, and H. W. Wither, of Grayson. Charles P. Burkes, of Bell county, was elected sergeant-at-arms. The organization occupied most of the time of the house this morning.

WILL CONTEST ELECTION OR
RESUBMIT QUESTION.

Some Changes in Completion of Senatorial Districts—Galleries of Both Chambers Crowded with Anxious Spectators.

[By Associated Press.]
Austin, Texas, July 31.—"Whether we will contest last Saturday's election or resubmit the proposition of statewide prohibition back to the people will be determined within the next two or three days," said Colonel Ball this morning. "That is as near as I can come to defining our program at this time."

The pro executive committee met this morning to perfect their plans and they set a meeting for 2 o'clock this afternoon, at which it was expected the leaders of the prohibitionists from the house and senate would be present.

By 9 o'clock the galleries of the house and senate chambers began filling with visitors, and thirty minutes before 10 o'clock, the opening hour, many legislators were in their seats.

One of today's developments is a claim that the July 22 election has changed the pro and anti complexion of some senatorial districts, provided senators vote pro or anti according as their districts went on July 22. It is said there are now fourteen senators representing anti districts and seven representing prohibition districts.

THE GOVERNORS MESSAGE

Submits no Subjects but Appropriations and Redistricting—Recommends Tax Rate of 16 Cents on the \$100.

URGES GENEROUS TREATMENT
OF STATE INSTITUTIONS.

Pleads for Fairness in Reconstructing
Congressional, Legislative and
Judicial Districts.

[By Associated Press.]

Austin, Texas, July 31.—Governor Colquitt's message submitted appropriations and redistricting only as subjects for legislation at the special session which opened today. He gave the cash in the treasury as \$32,975 and the deficit as \$907,624.43. He says it is evident that the last levy of the automatic tax board of 5 cents on the hundred dollars for 1910 is less than is necessary to meet the obligations of the state. He says it will require an ad valorem tax rate of approximately 16 cents on the hundred dollars' valuation for this year to meet the state's obligations.

The school tax and finances are in good condition.

The message says all deficiencies and also appropriations to be cared for by the present legislature amount to approximately \$6,285,316.

He urges generous treatment of the university and A. & M. college, and says more asylum room is needed.

The message asks for a spirit of fairness in redistricting the state and submits figures on the present legislative, judicial and congressional districts.

Other reductions have also been ordered by the public service commission and will be in effect after today.
